Presents

Migrating Birds Know No Boundaries

Lecture by
Eminent Biologist
Yossi Leshem, Ph.D.

February 1st, 2005 at 6:30 p.m.
at the National Aviary
North Side, Pittsburgh

***Meet someone who is doing extraordinary things to
help the world!***

Dr. Leshem is the director of The International Center for the Study of Bird Migration at Latrun, Israel. He has created an extraordinary collaboration, working with the Israeli military to help birds migrate safely over the land of Israel. Each year, over 500 million birds funnel through Israel while migrating from Europe and Asia to Africa and back again.
