

Winter Bird Count for Kids

Saturday, Dec. 16th 8:00am–11:00am

@ Brookline Recreation Center

For Kids Ages 10+

Parents are encouraged to attend

Learn to use binoculars, identify common winter birds, and collect data to help with bird conservation efforts. Dress warmly and bring binoculars if you have them.

Explore the outdoors for birds and inside enjoy:

- **Games**
- **Snacks**
- **Hot Chocolate and more!**

There is limited space in this program! Participants are required to register by **Wednesday, December 13th.**
